omii

Welcome to omii. It is lovely to have you here. On the table you will see a QR code, which you can use to get information about what there is here for you to feast on. Got your mobile and card ready? Then let's take a look together at the options available.

When you find what you are looking for, order direct online and finish the payment process. All done? Now you can sit back, relax and wait to be served. Easy.

Should you need any help, would appreciate a recommendation or would prefer to browse the menu, just let us know. We are happy to help.
